## “Plaza Almez” courtyard

---

The spacious courtyard is enclosed by the main buildings of the finca and merges with the extensive garden areas. Under the shady tree in the middle of the courtyard you will find the ideal place for any type of event formats, from the gala dinner to cocktail receptions and cosy barbecue evenings to open air festivities with DJ and mobile dance floor.

---

## “Sambuca” Covered Terrace

---

With its rustic, Mediterranean atmosphere, the covered outdoor area between the inner courtyard and garden offers enough space for small groups or can be used in combination with the courtyard as a lounge or buffet station. Here there is a Majorcan wood-burning stove in which some of the typical dishes of the island can be prepared.
